

Math: Rich Task Guide for Written Explanations

- State what you have to do.
 - In this problem...
 - I need to figure out...
 - I need to find...
 - I have to...
- How are you going to go about solving this problem?
 - To help me (what you have to do), I am going to:
 - make a chart...
 - create a diagram...
 - write an equation...
 - draw a picture...
- What did you do next?
 - Why did you do that?
- Then what did you do?
 - Why did you do that?
- What other steps did you take?
 - Why did you do those steps?
- What was your answer?
 - I found my answer to be...
 - So, I knew that...
 - My answer is...
